RULES

Every Corn hole match is broken down into innings of play. For every inning of play each contestant must pitch all four corn bags.

Scoring: A corn bag in the hole has a value of three points.

A corn bag that is not on-the-hole but lands with any portion of the bag on the board or hanging over the board without touching the ground has a value of one point.

A match shall be played until the first team reaches (or exceeds) 21 points, the game cannot end until each side is allowed to pitch all of their corn bags and the inning is complete.

If a match is tied at 21 at the end of an inning, play continues until one team achieves a higher score at the end of the inning.

The points of the lowest scoring contestant for in-the-count corn bags are subtracted from the highest scoring contestant for the in-the-count corn bags equal the score for the half inning.

Double Elimination
